

Dear Parent/Guardian,

We are starting a new club at SCHOOL.

It's called Code Club and will give your child the chance to create and play their very own computer games. They will have help from a class teacher and a Code Club volunteer who knows all about computers and code.

This is a new and exciting club and we expect many children will want to take part, so please complete the reply slip below.

The club will run every week after school on **Monday** from **3.30pm to 4.30pm**.

I give permission for
